

EZ Windows
How To Order Aluminium Windows Online

Hello and welcome to EZ windows.

Owning aluminium windows has never been easier and now at EZ Windows you can get a quote and place an order in under 3 minutes!

Here's how...

In this tutorial we will show you how to get a quote & order custom windows online quickly and easily...

No before we jump into the EZ Windows Web Portal you will need to have the sizes of the windows and doors you require.

NOTE: Enter **aluminium sizes** into the system...

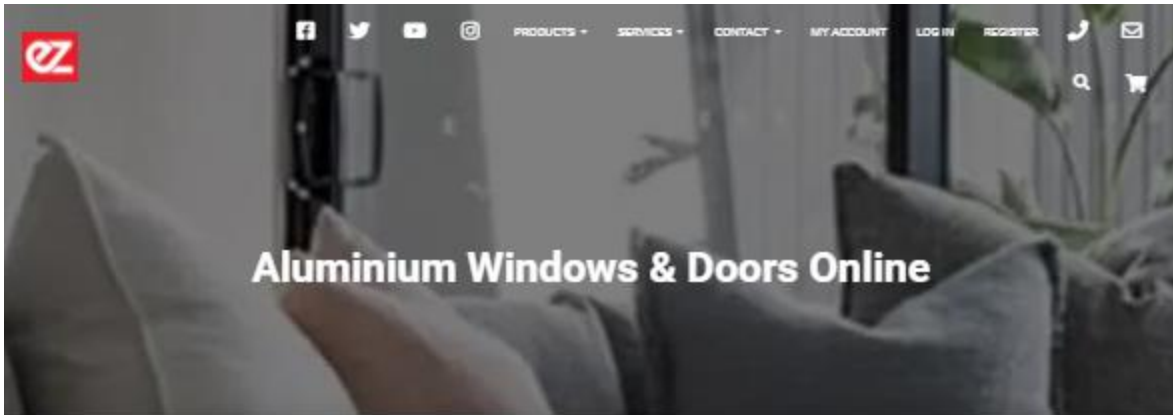

For more information regarding measuring please see the [EZ Windows How To Measure Aluminium Windows](#)

For more information regarding installation please see the [EZ Windows Aluminium Window Installation Guide](#)

1 Go To Home Page ezwindows.com.au

On the home page you will see **four product options**, Awning windows, Fixed windows, sliding/stacker doors & Fixed windows...

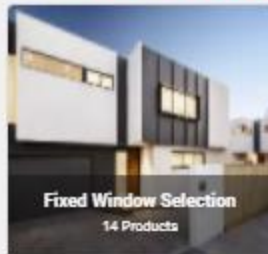

Simply select the product you require by clicking it, this will take you to the EZ Windows **configurator** for your product.

Aluminium Window Price & Order In 3 Minutes

** Instant Prices * Easy Ordering * Competitive Pricing * Discount Rewards * Express Service * Simple Selection * Installation Service **

Make Your **CUSTOM** Product Selection Below

Sign Up Today & Enjoy **Agility, Affordability & Accessibility**

2 Select Configuration (viewed from outside)

After selecting your product you can now select your configuration **viewed from outside**

Simply select the product your configuration by clicking it, this will take you to the EZ Windows **Customizer** for your product.

Sliding Door Selection
